NMHA Rated a Top Charity . . . Once Again

NMHA has for the fifth year in a row earned top ratings for 2002 from national news, financial and philanthropic publications and organizations for its efficient financial management, and for the high percentage of income it devotes to its programs and services. *Worth, Forbes, SmartMoney, The Chronicle of Philanthropy, The Nonprofit Times, Charity Navigator* and the American Institute for Philanthropy all saluted NMHA for its effective use of the generous support it receives. In addition, *Newsweek* magazine listed NMHA as one of the top five charities in the United States.

“Cast from shackles which bound them, this bell shall ring out hope for the mentally ill and victory over mental illness.”
